

Summary of Health Consumer Organisations supported by Medicines Australia Member Companies

For the period: 1 January - 31 December 2018

Company: AbbVie Pty. Ltd.

Name of Health Consumer Organisation	Description of and/or purpose of support	Nature of support (monetary value or equivalent) or description of non-financial support
ARTHRITIS AUSTRALIA	Donation to the Medicines Australia Community Chest (MACC) program, which is a collaboration between AbbVie, Janssen, Eli Lilly, Pfizer, Roche, and Sanofi. The Community Chest aims to identify and address the needs of people living with arthritis. In 2018, the MACC supported the project "Assessing access to rural rheumatology services in Australia." The purpose of this project is to assess access to specialist rheumatology services for people with arthritis living in rural and regional areas of Australia, in order to identify underserved areas and to support planning of future rural rheumatology services.	20,000.00 AUD
ARTHRITIS FOUNDATION OF WA INC	Support to develop and publish the 'Handbook for people with Ankylosing Spondylitis/Psoriatic Arthritis'. This handbook is a user friendly patient reference/handbook to accompany the Ankylosing Spondylitis education and self management program.	20,000.00 AUD
ARTHRITIS QUEENSLAND	Support for the 19th Annual Health Professionals Seminar. This seminar features presentations and panel discussions relevant to the treatment of arthritic conditions at a primary care level.	750.00 AUD
ARTHRITIS SOUTH AUSTRALIA	Support for GP educational meeting - "Update on the management of rheumatoid arthritis'. The objective of the meeting was to provide information on new concepts in the treatment of arthritis including the risks and benefits of physical activity.	4,500.00 AUD
ARTHRITIS SOUTH AUSTRALIA	Support for Arthritis SA's 2018 Health Professionals conference. The objective of the meeting was to provide information on new concepts in arthritis treatment including the importance of transitioning patients from paediatric to adult services, risks and benefits of physical activity and chronic pain management.	1,500.00 AUD
ARTHRITIS SOUTH AUSTRALIA	Funding was provided to support the delivery of a professional education meeting for up to 30 general practitioners in Adelaide - 'An update on Ankylosing Spondylitis – identifying inflammatory from mechanical back pain.' The objective of the meeting was to enhance medical knowledge and the quality use of medicines through the expert delivery of contemporary information by a specialist in rheumatology in South Australia.	4,545.45 AUD

ARTHRITIS SOUTH AUSTRALIA	Support for room hire for a Rheumatologist Education event. The objective of the meeting was to enhance medical knowledge in Rheumatology and the quality use of medicines.	109.09 AUD
HEPATITIS AUSTRALIA	To support the national coordination of activities in Australia for World Hepatitis Day 2018 - theme 'Why miss Out?'" The objective was to engage people who may have been missing out on care for hepatitis B or C and connecting them to vaccination, testing, treatment, and support to achieve improved health outcomes. The funding was used to create creative concepts; print, digital, and social media campaign collateral; and rollout and support the messaging through partner organisations. State based partner organisations in Queensland, Victoria, Northern Territory, Western Australia, South Australia, and Tasmania hosted further activities such as awareness events at Westpac Commercial Banking, flying educational banner linked to radio station engagements, community center and other outreach educational events, Chinese community outreach, and youth outreach events in schools and youth services. AbbVie's support covered 25% of the total \$240,000 project cost of which AbbVie's funding was proportionally allocated to consultants (\$66,600), design cost (\$23,000), meeting costs (\$900), non-print materials (\$25,000), print materials and bulk mail (\$13,500), website costs (\$3,500) and additional community grants (\$70,000). AbbVie's funding was not applied to the management cost of \$37,500.	60,000.00 AUD
Hepatitis SA Inc.	Support for the SA Prison Health (SAPHS) Liver Health Day. This initiative aims to positively impact Hepatitis C prevalence across South Australian prisons by engaging hard to reach people in rural area prisons and assisting them to seek testing and treatment.	5,600.00 AUD
LEUKAEMIA FOUNDATION	Support for the 'Light the Night' event on 5 October 2018 . This activity brings together the blood cancer community to support patients, carers and their families living with blood cancer and to raise funding for research.	5,000.00 AUD
LYMPHOMA AUSTRALIA	Contribution to Lymphoma Australia's Lymphoma Nurse education program which provides a series of face-to-face education events in addition to webinars for blood cancer nurses, patients and caregivers to ensure they receive current and balanced information to assist them deliver world class service.	18,000.00 AUD
